

Opacity Charts (Half black and half white) 250x140mm ; Film-laminated (500 pcs/package)

BGD 1101

Product Description

Solvica offers a wide range of drawdown cards and charts for virtually any application and coating material. Stringent quality control during the production process ensures that they have the most consistent color and gloss in the industry. Test charts are easy to use and provide an economical substrate to test a variety of coating properties, such as opacity, spreading rate, and flow & leveling behavior. They are used for testing architectural, industrial, automotive, wood finishes, or even cosmetic products (e.g., nail polish). Depending on the material properties of the product to be tested and its usage, different types of drawdown cards are available.

Standards

ASTM D 344

Opacity Charts (Half black and half white) 250x140mm ; Film-laminated (500 pcs/package)

BGD 1101

Technical Specification

Depending on the types of solvent used in paint formulations, a drawdown chart needs to be more or less solvent-resistant. The resin type requires different solvent types, and depending on the polarity of the solvent, the organic ingredients will be more or less activated. Therefore, Solvica offers two types of drawdown cards and charts.

Clear-coated Charts

- Ideal for a wide range of coating systems: water- and solvent-borne technologies
- Guaranteed non-fluorescent paper in compliance with ASTM D 344
- Repeatable color and gloss, lot after lot
- Superior adhesion characteristics, especially with latex paints
- Rugged design (0.5 mm thickness) to prevent warping and bending after the coating is applied
- Package is shrink-wrapped with low permeability plastic to prevent moisture absorption during shipping and storage

Laminated Charts

- Excellent solvent resistance
- Repeatable color and gloss, lot after lot
- Smooth, structure-free surface
- Superior adhesion properties and flexibility
- 0.5 mm thickness
- Double film laminated; will not warp and bend - even in high humidity environments

Main Technical Parameters

| Product Code | Material | Dimensions | Qty/Box |
|--------------|----------------|--------------|---------|
| BGD 1100 | Film-laminated | 150 x 100 mm | 1,000 |
| BGD 1101 | Film-laminated | 250 x 140 mm | 500 |
| BGD 1102 | Film-laminated | 289 x 194 mm | 500 |
| BGD 1103 | Film-laminated | 150 x 100 mm | 1,000 |
| BGD 1104 | Film-laminated | 250 x 140 mm | 500 |
| BGD 1105 | Film-laminated | 289 x 194 mm | 500 |
| BGD 1106 | Film-laminated | 289 x 194 mm | 500 |
